

SENDING SAMPLES

04/2025

Send the authentic samples of the bottles or cans to the addresses below and delivered to the door.

Please enclose the contact information of the sender: the name of the company, the contact person, the phone number and the email address.

Palpa approves the new packages to the return system twice a month, on the 15th and the last day of the month or the weekday preceding them.

See also: [Products acceptance schedule](#)

The samples must be received by the recipients no later than two business days prior to the approval day.
