

RETURNS WITHOUT REVERSE VENDING MACHINE

CANS / PLASTIC BOTTLES

RETURN IN A MANUAL BAG (red print)

Sort cans and plastic bottles separately.

Return all cans, also non-deposit.

Return only plastic bottles with Palpa's deposit marking.

Return cans and plastic bottles as empty and intact.

NOTE! It is not allowed to put other beverage packages or garbage into the bag.

If a return is made in violation of instructions Palpa has the right to sanction the return location. The beverage supplier has the right to refuse to pick up a transport unit that is not packed according to Palpa's instruction.

CLOSE THE BAG TIGHTLY WITH A TIE BAND

The bag must not be overfilled.

Leave at least 30 cm gap between the tie band and the top of the bag.

The tie band can't be reopened.

ATTACH PALPA STICKER AND SAVE THE TAG

Mark the content (can/plastic bottle) and the date to the tag for checking the refunds later.

LOGISTICS

The beverage supplier picks up the bags in connection with a beverage delivery. The driver of the beverage supplier reads the barcodes and delivers the bags to the operator for counting.

PACKAGING SUPPLIES

Order Palpa stickers from extra.palpa.fi or asiakaspalvelu@palpa.fi.

Other packaging supplies can be ordered from beverage suppliers, wholesalers or other packaging suppliers. Detailed instructions can be found on Ordering instruction for packaging supplies.
